

Babak Sayad, M.D., M.P.H

*Professor of Infectious Diseases,
Kermanshah university of Medical Sciences,
Kermanshah, Iran*

PERSONAL DETAILS

Date of Birth: 26/08/68
Marital Status: Married
Nationality: Iranian
Place of Birth: Kermanshah, Iran
Email: babaksayad@kumsa.c.ir
Orcid Number: 0000-0001-8686-9986

EDUCATION

- **Residency:** Sina Hospital (infectious diseases), Kermanshah University of Medical Sciences, Kermanshah, Iran, 1997-2001
- **Medical Doctor Degree:** Tehran university of Medical Sciences, Tehran, Iran, 1987-1994

AWARDS & HONORS

- First rank in 20th infectious diseases pre-board examination Tehran, Iran, 2001
- Second rank in 48th infectious diseases board examination, Tehran, Iran, 2001
- Honored as the top professor in Kermanshah University of Medical Sciences, 2004

RESEARCH EXPERIENCE

- The efficacy and safety of peginterferon in treatment of chronic hepatitis B
- The efficacy and safety of peginterferon in treatment of chronic hepatitis C
- Seroepidemiology of hepatitis C in Kermanshah, 2005
- Seroepidemiology of hepatitis E in Kermanshah, 2005
- The study of hepatitis B and C in hemodialysis patients in Kermanshah, Iran, 2005
- Seroepidemiology of hepatitis B and C in medical students of Kermanshah University of medical sciences, 2004
- The investigation of Correlation between CMV infection and coronary artery disease in patients without risk factors

- The study of in-vitro activity of cefepime and other broad spectrum antimicrobials against pseudomonas and other gram negative bacilli, Imam Khomeini hospital, Kermanshah, Iran, 2004
- The study of psychiatric disorders with CD4 counts in HIV/AIDS patients in Sina hospital, Kermanshah, Iran, 2004
- The frequency of legionella pneumonia in patients with community acquired pneumonia in Imam Khomeini hospital, Kermanshah, Iran, 2004
- Tuberculin skin test in newly arrived medical students in Kermanshah University of Medical Sciences, 2003
- The frequency of cryptococcal meningitis in HIV/AIDS patients in Sina hospital, Kermanshah, Iran, 2003
- Seroepidemiology of measles in newly arrived medical students in Kermanshah University of Medical Sciences, 2003
- Hepatitis B Vaccination with Levamisole Adjuvant in HIV/AIDS Patients: A Randomized Controlled Trial
- Efficacy of Influenza Vaccination in Patients with Cirrhosis and Inactive Carriers of Hepatitis B virus infection
- Hepatitis D Virus Infection among Hepatitis B Surface Antigen positive Patients in Viral Hepatitis Research Center, Kermanshah, Iran: 2009-2014
- Systematic review of occult Hepatitis B virus infection in thalassemia and haemophilia patients: 2000-2016
- Frequency of brucella spondylitis, hepatobiliary manifestation, neurobrucellosis and their clinical and paraclinical features in admitted patients at Imam Reza hospital, Kermanshah: 2011-2016

MANAGEMENT & ADMINISTRATION EXPERIENCE

- Dean of Medicine School, Kermanshah University of Medical Sciences, 2017-present
- Deputy of health, Kermanshah University of Medical Sciences, Kermanshah, Iran, 2006- 2009
- Head of infectious diseases ward, Imam Khomeini hospital, Kermanshah University of medical Sciences, Kermanshah, Iran, 2003-present
- The president of Imam Khomeini hospital, Kermanshah University of Medical Sciences, Kermanshah, Iran, 2003-2006
- Deputy of education in Imam Khomeini hospital, Kermanshah University of Medical Sciences, Kermanshah, Iran, 2003-2004
- Deputy of education in department of infectious diseases, Kermanshah University of Medical Sciences, Kermanshah, Iran, 2001-2002
- Providing clinical and theoretical teaching program for medical students, Kermanshah University of Medical Sciences, 2001-present
- Clinical and Theoretical teaching program for infectious diseases and internal medicine residency program, Kermanshah University of Medical Sciences, 2001-present

- Conducting the subject lectures regularly in continuous medical educations (CME) programs, Kermanshah University of Medical Sciences, 2001-present

TEACHING EXPERIENCE

- Clinical and Theoretical teaching program for medical students, Kermanshah University of Medical Sciences, 2001-present
- Clinical and Theoretical teaching program for infectious diseases and internal medicine residency program, Kermanshah University of Medical Sciences, 2001-present
- Conducting the subject lectures regularly in continuous medical educations (CME) programs, Kermanshah University of Medical Sciences, 2001-present
