

Mohammad Reza Saidi, M.D.

Imam Ali Cardiovascular Center,
Shahid Beheshti Blvd.,
Kermanshah, Iran

Phone: +98-831-8360295

Fax: +98-831-8360043

Email: mrsaidi@yahoo.com

Email: mrsaeidi@kums.ac.ir

Education:

- 2008-2010 Fellowship of interventional cardiology, Tabriz university of medical science, Tabriz, Iran
- 1991-1995 Specialty in cardiology, Iran university of medical science (Shahid Rajaei heart center), Tehran, Iran
- 1978-1987 Doctor of medicine (MD) as a general practitioner, Shahid Beheshti University of medical science, Tehran, Iran
- 1971-1975 Diploma in natural science, Razi high school, Kermanshah, Iran

Work Experience:

- Associated Professor, Kermanshah University of Medical Science, (2016-present).
- Assistant Professor, Kermanshah University of Medical Science, (1995-2016).
- Chancellor, Kermanshah University of Medical Science, (1997-2005).
- Dean of Medical Faculty and Deputy of Treatment, Kermanshah University of Medical Science, (1987-1991).

Research Projects:

- Correlation between coronary and carotid artery atherosclerosis in candidate patients of heart angiography in Kermanshah Imam Ali hospital, (2007).
- Cigarette smoking in female students of Kermanshah high schools, (2004).
- Cardiac lesions in HIV-infected individuals referred to Kermanshah Behavioral Diseases Consulting Center, (2003).
- Cigarette smoking in male students of Kermanshah high schools, (2000).
- Comparison between Verapamil and adenosine in termination of PSVT, (1995).
