

CURRICULUM VITAE

Elham Shobeiri MD

Associate Professor
Kermanshah University of Medical sciences, Iran

OFFICE ADDRESS

Ejlalieh medical imaging center
Second floor - Ejlalieh building
Parkinge shahrdari, Kermanshah, Iran
Office: 988334276301
Fax: 988337282010
Cell: 416 8795450
Email: elhamshobeiri@gmail.com

Post-Graduate Education

3/1986-3/1993 **MD**
Tehran University of Medical
Sciences, Iran

9/1993-
9/1996 **Residency in Diagnostic
Radiology,**
Tehran University of Medical
Sciences, Iran

6/1997-
12/1997 **Fellowship CT**
Shahid Beheshti University of
Medical Sciences, Tehran

5/2003 -8/2003 **Fellowship** in MR
Munich, Germany

SPECIALITY BOARDS AND CERTIFICATION

Board Certified	Date Issued
Iranian Board of Radiology	July 22,2013

PROFESSIONAL APPOINTMENTS

05/1998-5/2015 **Assistant Professor**, Kermanshah University of
Medical sciences, Iran

05/2015 –Present **Associate Professor**, Kermanshah University of
Medical sciences, Iran

MEMBERSHIP IN HONORARY AND PROFESSIONAL ASSOCIATIONS:

1993 – Present Iranian Medical Association

1996- Present	Iranian Radiology Association
1996- Present	Kermanshah Radiology Association, Iran
2004- Present	European School of Radiology

OFFICIAL POSITIONS HELD

01/2010-01/2011 exam, Iran	Chief examiner, radiology resident preboard Kermanshah University of Medical sciences,
----------------------------------	---

01/2014 - Present University	Member, Ethics committee, Kermanshah of Medical sciences, Iran
---------------------------------	---

RESEARCH/PUBLICATIONS

International Medical Journals:

1. **Shobeiri E** ; Diagnostic Value of Mammography in Breast Cancer in the City of Kermanshah, Iran 2004-2005 - Poster at Thailand Congress , November 2008
2. **Shobeiri E**, Khalatbari M R, Taheri M S, Tofighirad N, Moharamzad Y; Magnetic Resonance Imaging Characteristics of Patients with Low Back Pain in those with Sciatica- an article published in Singapore Journal, 2009, 50(1) :87-93

3. Yashar Moharamzad, Homayoun Hadizadeh Kharazi, **Shobeiri E**, Gholamreza Farzanegan, Forough Hashemi, Abed Namavari; Disseminated Intraspinal Hydatid Disease : A case report published in Neurosurgery of Spine Journal, 2008, 1 : 490-493
4. **Shobeiri E**, Shaikh Ismaili M.R , Razazian N, Yousefinejad V, Rezaii M ; Diagnostic value of T2-Weighted gradient echo for diagnosis of cerebral venous thrombosis- Pak J Med Sci, 2012, 1 :62-66
5. Hamid Reza Saeidiborojeni, **Shobeiri E** , Mansour Rezaii,, Zahra Aslani , Sepehr Saeidiborojeni ; Comparison of abnormal findings in T2 weighted spin echo & T2 gradient echo in chronic traumatic brain injuries - International journal of collaboration Research on internal medicine & public health, 2012,4:327-333
6. Shobeiri E ; Calcified Mass on Brain CT in a Teenager with Refractory Seizures- A case report published in The Neuroradiology Journal, 8/2014
7. Zahra Saadat, Farahnaz nikdoust, Hossein Aerab-Sheibani, Mostafa Bahremand, **Elham Shobeiri**, Habibollah Saadat, Yashar Moharamzad, Donald E. Morisky; Adherence to antihypertensives in patients with comorbid conditions- An article published in Nephro Uro journal ,4/2015, 7(4) :1-6
8. Ezzatollah Sadeghi, Azin Behbood-Rad, Hossein Aerab-Sheibani, **Shobeiri E**, Pirouz Pouzargar, Ehsan Omroz, Nader Sedigh, Yashar Moharamzad; Controlled Blood Pressure in Iranian Patients (A multicenter Report) - An article published in Global journal of Health Science, 2016, 4 :188-195
9. Mohsen Emami Aleagha, Azade Montaseri, Masoud Tahmasian, **Elham Shobeiri**, Siamak Shariat; Recurrent Intracranial Haemangiopericytoma compatible to Synovial Sarcoma- An article published in Pak J Med Sci
10. Mohammad gharib Salehi, **Shobeiri E**, Orfi Javad, Correlation between resistive index of the uterine artery and leiomyoma volume change after uterine artery embolization-An article published in Acta Medica Mediterranea, 2016,32: 1933-1937

National Medical Journals:

1. **Shobeiri E**, Saidi HR, Keihanshokouh J, Rezaii Mansour; MRI results in patients with low back pain & radiculopathy & its relation with demographic characters of patient- Article published in behbud Journal,2010,2:119-124
2. **Shobeiri E**, Saeb Morteza, Rezaii M, Sohrabi J; Diagnostic value of PD –fat suppression & T2 GE MRI in diagnosis of cruciate & meniscal lesions- Article published in scientific journal of Kurdistan university of medical sciences,2010,2,36-42
3. **Shobeiri E**, Razazian N, Rezaii M, Shaikh Ismaili M.R.; Incidence rate of cerebral venous thrombosis and its related factors in Kermanshah city in 2009-2010- Article published in scientific journal of Kurdistan university of medical sciences,2010,2,64-69
4. **Shobeiri E**; Diagnostic value of color Doppler sonography in ectopic pregnancy- Article published in behbud journal, 2013
5. **Shobeiri E**; Diagnostic value of T1 & Flair MRI sequences with contrast in patients with meningeal pathologies; Article published in behbud journal, 2013
6. **Shobeiri E**; Correlation between CT findings & level of consciousness, surgical findings & prognosis in patients with traumatic ICH- Article published in behbud journal, 2013
7. **Shobeiri E**; Diagnostic value of color Doppler & gray scale sonography in solid mass lesions of breast- Article published in Kurdistan journal, 2013
8. **Shobeiri E**, Parandoush Sepehri; lower extremities paresis due to ossification of the posterior longitudinal ligament- A poster presentation in congress of Iranian neurosurgeons, 2013
9. **Shobeiri E**; Correlation between endometrial thickness & response to single dose methotrexate IM in patients with ectopic pregnancy- Article published in behbud journal, 2014
10. **Shobeiri E**; Correlation between T1-weighted and FLAIR sequences with contrast in MRI of meningeal lesions- Article published in behbud journal, 2014

11. **Shobeiri E**; A case of portal vein thrombosis in a pregnant female with hepatocellular carcinoma- A Case report in behbud journal, 2015
12. **Shobeiri E**; Diagnostic value of impedance imaging in the patients with breast mass in Kermanshah Imam Reza hospital- Article published in behbud journal (2016)
13. **Shobeiri E**; Diagnostic value of color doppler ultrasound in diagnosing malignant lymph nodes of breast cancer patients -Article published in orumia medical journal(2016)

INVITED LOCAL PRESENTATIONS

1. Shobeiri E: Imaging of Mediastinal Diseases, Presentation as codified continuous Medical Education Programme, Kermanshah University, Iran, 3 March 2003
2. Shobeiri E: Interstitial Lung Diseases, Presentation as codified continuous Medical Education Programme, Kermanshah University, Iran, 4 March 2003
3. Shobeiri E: Lung tumors imaging, Presentation as codified continuous Medical Education Programme, Kermanshah University, Iran, 5 March 2003
4. Shobeiri E: Cerebrospinal Tumors, Presentation as codified Continuous Medical Education Programme, Kermanshah University, Iran, 24 Nov 2005
5. Shobeiri E: Ultrasound of Breast, Presentation as codified Continuous Medical Education Programme, Kermanshah University, Iran, 6 Feb 2006
6. Shobeiri E: CT Scan and MRI of Kidneys, Presentation as codified Continuous Medical Education Programme, Kermanshah University, Iran, 23 Dec 2006
7. Shobeiri E: Radiologists-specific Ultrasonography, Presentation as codified Continuous Medical Education Programme, Kermanshah University, Iran, 21 Feb 2007
8. Shobeiri E: Imaging of Lung Tumors, Presentation as codified Continuous Medical Education Programme, Kermanshah University, Iran, 23 Jan 2008

9. Shobeiri E: Congenital Anomalies of Brain, Presentation as codified Continuous Medical Education Programme, Kermanshah University, Iran, 16 Oct 2007
10. Shobeiri E: Diagnostic Imaging of Stomach Tumors, Presentation as codified Continuous Medical Education Programme, Kermanshah University, Iran, 19 Oct 2008
11. Shobeiri E: Knee MRI, Presentation as codified Continuous Medical Education Programme, Kermanshah University, Iran, 6 Feb 2009
12. Shobeiri E: Thymic Lesions, Presentation as codified Continuous Medical Education Programme, Kermanshah University, Iran, 13 Dec 2009
13. Shobeiri E: Imaging of tumoral lesions in the Urinary System, Presentation as codified Continuous Medical Education Programme, Kermanshah University, Iran, 20 Feb 2010
14. Shobeiri E: Imaging of Malabsorption, Presentation as codified Continuous Medical Education Programme, Kermanshah University, Iran, 24 Nov 2010
15. Shobeiri E: Fundamentals of Joint Imaging, Presentation as codified Continuous Medical Education Programme, Kermanshah University, Iran, 28 Feb 2011
16. Shobeiri E: Malignancies of stomach, Presentation as codified Continuous Medical Education Programme, Kermanshah University, Iran, 28 Feb 2012
17. Shobeiri E: Congenital Anomalies of Spine, Presentation as codified Continuous Medical Education Programme, Kermanshah University, Iran, 28 mar 2012
18. Shobeiri E: Lung Tumors, Presentation as codified Continuous Medical Education Programme, Kermanshah University, Iran, 28 July 2012
19. Shobeiri E: Congenital Anomalies of Urinary System, Presentation as codified Continuous Medical Education Programme, Kermanshah University, Iran, 28 Feb 2013

20. Shobeiri E: Imaging of Temporal Bone, Presentation at Kermanshah University, Iran, 20 Oct 2015

21. Shobeiri E: Imaging of Chest TB, Presentation at Kermanshah University, Iran, 18 Jan 2016

WORKSHOPS ATTENDED

1. The preliminary teaching method workshop, 2-3 May 2001
2. The OSCE workshop, 5-6 Aug 2002
3. The writing and presenting medical articles workshop, 23-24 Aug 2003
4. The ICD diagnostic workshop, 2 Jun 2003
5. The writing and presenting medical articles in English workshop, 24-25 Jan 2004
6. Power point workshop, 9 Feb 2005
7. SPSS workshop, 26 Dec 2004
8. English texts translation workshop, 26 Jan 2006
9. Learning and acquaintance with databanks and electronic references, 13 Nov 2007
10. The Evidence-based Medicine Journal club workshop, 18 Feb 2009
11. Knowledge-searching workshop, 4 Feb 2010
12. National seminar on ISI and ISC, 27 Feb 2010
13. Proposal writing workshop, Nov 2010

14. Brief report workshop, Nov 2010
15. Letter to editor workshop, Nov 2010
16. New methods of teaching workshop, July 2010
17. Teaching skills in large groups workshop, Mar 2011
18. Educational needs evaluation workshop, Mar 2011
19. Evidence based morning report workshop, Nov 2010
20. Educational needs evaluation workshop, Dec 2012
21. Educational science workshop, July 2012
22. University rules workshop, may 2012
