

Curriculum Vitae

Personal information

.Name: Soheila Samadzadeh

.Birth : 1.8.1963

.Sex: female

.Scientific Degree: Assistant professor

Email: s_samadzadeh@kums.ac.ir

.Address: Imamreza Hospital , Medical science university of Kermanshah , Iran

Education: Physical medicine & Rehabilitation

Routin Activities: Education: Teaching for Medical students

Diagnosis: Electrodiagnostic studies

Treatment: Musculoskeletal disorders

Research experience : 5 researches , 1 finished & 4 are ongoing

Supervision: (Thesis)

1- The comparison between ultrasonography &

electrodiagnosis values in diagnosing carpal tunnel syndrome

2-The impact of short term foot massage in mean arterial

pressure of neurosurgical patients admitted in intensive care unit

Work experience:

20 years experience in physical medicine & rehabilitation specialty , attitude in the field of Electrodiagnosis

Selected Lectures:

More than 30 lectures in Conferences , Seminars & Congresses

Published books:

Published articles:

1-Normal values of F wave in upper extremities of 50 healthy individual in IranM.R AlavianGhavanini ,Soheila Samadzadeh , A Alavianghavanin**Article in** Electromyography and clinical neurophysiology 3 8(5):305-8 · July 1998 Source: [PubMed](#) , 8 citation

2-The comparison between Ultrasonography and Electrodiagnosis value in diagnosing Carpal tunnel syndrome

Soheila Samadzadeh, Mandana Motameni, Mansour Rezaei, Cyrus Rezaei4 Javad Faroukhi
Journal of Kermanshah University of Medical Sciences. 2013; 17(4): 244-251source:Scopus , 1 citation

3-The impacts of short-term foot massage on mean arterial pressure of neurosurgical patients hospitalized in intensive care units

Hiva Azami, Behnam KhalediPaveh, Mansoor Rezaei, Soheila Samadzadeh
Iran J Crit Care Nurs. 2015;8(3):133-142.

4- Short-term Effect of Foot Massage on the Values of Arterial Oxygen Saturation in neurosurgical patients admitted to ICU

Azami H, KhalediPaveh B, Rezaei M, Samadzadeh S

Journal of Mashah Paramedical Sciences and Rehabilitation , 2015 , 4,(2) 50-59

5- Comparison of Entonox& Electrical nerve stimulation in labor pain

SamadzadehS , Rezavand N , Yari M , Rezaei M , Ferdosi H

Participation in National or International Seminars and Congresses:

More than 25 times

Workshop: 35 lisencc of workshops in Kermanshah medical science university

Language skills: Persian, English , Turkish
