## Educational Background

- 2011-2016**     **PhD** in Anatomy, Faculty of Medicine, University of Medical Sciences, Isfahan, Iran.
- 2001-2004**     **MSc** in Anatomy, Faculty of Medicine, Tarbiat Modarres University, Tehran, IRAN
- 1989-1993**     **BSc** in Biology, School of Sciences, Ferdousi University, Mashhad, IRAN

## Employment / Professional Experience

- 1994-2004**     **Medical expert** of School of Medicine, Kermanshah University of Medical Sciences and Health Services (Kermanshah UMSHS)
- 2004-present**     **Lecturer** of School of Medicine, Kermanshah University of Medical Sciences and Health Services (Kermanshah UMSHS)
- 2005-present**     **Member of Reproduction Research Center (RRC)**, KUMS, Iran.

**2004-present**                      **Guidance counselor** to the medical students of Kermanshah University of Medical Sciences

## **Teaching Experience**

**1994-present**                      Kermanshah University of Medical Sciences

**Medical faculty**                      Head and Neck Anatomy, Trunk Anatomy, Limb Anatomy & Functional Histology for medical students.

**Pharmacy Faculty**                      General Anatomy and Head and Neck Anatomy

**Nursing & Midwifery Faculty**                      General Anatomy for Midwifery, Nursing , Laboratory Sciences & Radiology students

## **Professional Training**

**Jun. 2005**                      A tow-day workshop on SPSS.

**Sep. 2005**                      A five-day workshop on method of elementary researching in medical school

**Sep. 2006**                      A tow-day workshop on method of advanced researching in medical school

**Mar. 2005**                      A three-day workshop on Basic Concepts of Information Technology.

**Aug. 2005**                      A tow-day workshop on Managing Files.

**Aug. 2005**                      A seven-day workshop on Word Processing.

**Apr. 2006**                      A seven-day workshop on Spreadsheets.

**Apr. 2006**                      A seven-day workshop on Databases.

**May. 2006**                      A seven-day workshop on Presentations.

**May. 2006**                      A three-day workshop on Internet and Email.

**Sep. 2006**                      English Language Testing (MCHE) - Total score: 54

**March 2013**                      English Language Testing MSRT (MCHE) - Total score: 60

## Research Interests and Activities

**2018-Present**      The protective effect of gallic acid on Nicotin-induced sperm parameters in male mice Balb/c.

**2018-Present**      The effect of an endurance training period on receptor and transporter subunits expression of astrocytic glutamate (mGluR3 and NR1, GLAST, GLT-1) and morphological changes of astrocytes in hippocampus of EAE induced Lewis rats.

## Membership of Professional Associations

**2005-present**      Member of the Iranian Anatomical Association

## languages

English      Fluent in speaking, writing and listening  
 Persian      Native language

## Hobbies

Climbing, Swimming, Football, Chess, Calligraphy, Iranian traditional music.
